CREATED TO CONNECT

Offering excellent access to major transport routes across the Midlands and the wider UK.

Situated near the M40, it provides quick links to the M6, M42, and M1 motorways, facilitating efficient distribution to key commercial hubs like Birmingham, London, and Oxford.

Key rail connections, enable multimodal transport options that can enhance distribution flexibility and speed. This central position within the UK supply chain network reduces transit times and fuel costs, making it an ideal base for logistics operations focused on cost-effective and rapid delivery services.
